## Focus of the Assistant's Work:

The intention of the Assistants Course is to help interested adults become able assistants in a Montessori Nido or Infant Community.

The task of the Assistant is to support and help the Guide to maintain equilibrium within the classroom, to follow up with the Guide's presentations, to present language materials to the children, and to help maintaining order within the environment.

***This course highlights the important work of the adult as an aid to the child's development at this early stage of life. It also gives the knowledge for parents and caregivers who wish to apply at home.***

## Association Montessori Internationale (AMI)

The Association Montessori Internationale (AMI) was founded in 1929 by Maria Montessori to maintain the integrity of her life's work, and to ensure that it would be perpetuated after her death. AMI is the recognized international authority on Montessori education. During its long history AMI has fostered the growth and development of Montessori programs and teacher training and worked to support the development and education of children and young adults in a vast variety of settings throughout the world. AMI is a Non-Governmental Organization (NGO) associated with the United Nations Department of Public Information (since 1985) and an NGO in operational relations with UNESCO (since 1962).

## Why Take AMI Training?

- **Founded by Dr. Maria Montessori**

The Association Montessori Internationale (AMI), founded in 1929 by Dr. Maria Montessori, is a global community which continues today to protect the integrity of her work.

- **A Guarantee of Quality**

The Association Montessori Internationale affiliates training centres throughout the world. These centres offer AMI diploma courses which are recognized worldwide for their excellence and authenticity. The training is essentially the same in each centre. Training centres affiliated to AMI remain under the constant supervision of AMI, are staffed by AMI Teacher Trainers and each course is examined by an external examiner appointed by AMI.

- **Knowledgeable Trainers Make the Difference**

Every AMI course is conducted by an AMI Director of Training. These dedicated trainers have extensive teaching experience, an academic background, have participated in a rigorous Training of Trainers Program and possess in-depth knowledge and understanding of Montessori principles and applications.
